

# Senior Citizens of Reynoldsburg

## Annual Report 2019

### Overview:

As we wrap up 2019, we reflect on SCOR’s progress in becoming a premier senior facility. We have experienced additions and many changes, all of which participated in the growth and development of our center.

We did have staffing changes during the year. Eileen Lawson moved over to the Water Department for The City of Reynoldsburg. Our Recreational Aide, Della Dresbach moved to the vacant part-time Senior Citizens Assistant position. Lydia Bellknap continued to work as part-time Senior Citizens Assistants. Judy Doran remains as Manager of SCOR. The evening/Saturday were staffed with Parks and Rec Site Supervisors until a permanent Recreational Aide position filled.

SCOR saw changes to the Board of Directors in 2019 for Reynoldsburg Senior Citizens Association (RSCA). RSCA’s Boards of Directors are President, Mary Theodoras; Vice President, Rita Syrkin; Treasurer, Ed Slattery; and Secretary, Shirley Witwer. The City of Reynoldsburg Auditor maintains the financial accounts for RSCA, sends monthly reports to the treasurer, and performs any auditing necessary for the accounts.

SCOR has come a long way in the betterment of our facility, and the fulfillment of our goals for the upcoming year seems promising. Although we have had rapid changes, the sentiment and value that SCOR carries remains the same. We are enthusiastic about our growth and updates in 2019 and look forward to what 2020 has to bring!

**Renovations:**

As an ever-changing facility, the SCOR building has undergone modifications in order to improve the conditions for our members.

*Building:* remodeled Assistant’s office, installed new accordion doors for the side rooms, installed new carpet tiles in side rooms and office/library area; installed new fans and updated lighting in side rooms; painted pool room, decorated washroom; purchased 120 chairs with dollies; landscaped around patio; painted exterior of building; and, re-felted pool tables.

*Activities/services:* In an attempt to grow with an already technologically advanced society, we experienced our fourth full year using “My Senior Center” web-based programming. This program allows the staff greater versatility with the database; mass calling on important events; event and trip scheduling; and, report creation using multiple variables. We have integrating the program into our daily operations and are able to gather daily, monthly and yearly stats in an instant. SCOR continues to utilize our main room TV and hardwired laptop to project an informational PowerPoint that provides the daily schedule and important updates.

**Activities:**

*Re-occurring Activities:* Some activities are available at the discretion of our members, including pool, golf, table tennis and couponing. For our regularly scheduled recreational activities, we have composed a weekly schedule that allows everybody to see the schedule at a glance.
