

## **How to Become a Vendor**

Now in our seventh season, the Reynoldsburg Farmers' Market has many returning vendors who are eager to sell what they grow and produce. Our goal is to provide a balanced market with plenty of variety. We do still have openings for certain categories and dates.

We will also spotlight **one** community organization each week. There is no booth fee for this. You must contact the Market Manager to be considered.

If you would like to have your name added to the list of potential vendors, please review our rules and regulations, along with our application and contact Kristin Hampton-Harmon, Market Manager at 614-322-6839 or [kharmon@ci.reynoldsburg.oh.us](mailto:kharmon@ci.reynoldsburg.oh.us)
