**REYNOLDSBURG FARMERS' MARKET**

Enjoy the bright reds, yellows and greens of just-harvested peppers, corn, radishes and broccoli. Savor the juiciness of melons, and decorate your home with fragrant blooms.

From 3:30 pm to 6:30 pm, every Thursday, July 8 - September 30, 2010, you'll have the opportunity to purchase your produce directly from Ohio growers who are committed to putting the finest foods on your table. You'll also be able to learn new ways to prepare these healthy food items and save gas by shopping at a market in your own community.

Join us each week at the Reynoldsburg Farmers' Market in Huber Park on Davidson Drive next to the Reynoldsburg Senior Center (between Main Street and Livingston Ave).

For further information about the market, please call 614-322-6832.
