

Reynoldsburg Annual Farmers' Market

Sponsorship Opportunities for the 2020 season

Thursdays, June 4 - September 3, 4:00 - 7:00 p.m. In Huber Park

For your consideration . . .

We invite you to join us as a sponsor of the 2020 Reynoldsburg Farmers' Market!

RFM is a seventeen-week seasonal outdoor market — open every Thursday, June 4 through September 3— that provides the community with access to a wide variety of fresh, Ohio grown produce and locally prepared cottage foods. Our consumers increasingly seek healthier food options, while they develop ongoing relationships with those who grow their food. Since our first market in 2008, we have consistently attracted more than 10,000 people each season.

In an effort to expand our operational, educational and entertainment efforts, we are turning to members of our community for support to ensure our continued success. With RFM's inclusion in the City of Reynoldsburg's website and increased participation in social networking links, we expect our attendance numbers to rise in 2020, which creates even greater visibility for those of you who choose to support us.

Please take a few moments to review our sponsorship levels, and sign up today to be a part of this important community event!

SEEDLING SPONSOR **\$100**

- Listed on website sponsor page
- Link to your website
