

## Memorial Park Bench Dedication Program

The cost for each bench at a City of Reynoldsburg Park is \$1,000.00. This includes the bench, installation on cement and a commemorative plaque. Benches are installed at approved sites in the order requests are received. Installation depends on the time of year received and the number of preceding orders.

You may select the specific park for your bench dedication and request a specific area within the park, however the bench's exact location will be an agreed upon location. Once the bench is installed, the contact person will receive a letter notifying them that the bench has been placed and a map showing the location of the bench. A donation period will last 20 years. Within this time, the Reynoldsburg Parks and Recreation Department will replace the bench, in the event of damage, at no cost to the donor. After 20 years, the bench will be available for renewal for the cost of a new donation, with the first right of refusal given to the original donor. If the original donor opts not to renew, the donated bench and plaque may be removed or rededicated at any time.
