

ORDINANCE NO. 70-2020

AN ORDINANCE TO ACCEPT THE EXTENSION AGREEMENT FROM THE OHIO AUDITOR OF STATE FOR AN INDEPENDENT PUBLIC ACCOUNTANT FOR 2020-2022

WHEREAS, the Auditor of State has audited public offices' compliance with legal requirements since 1902. Audits of Ohio public offices have been subject to Ohio Revised Code Chapter 117, or its predecessor, since that time. Section 117.11 (A) states in part that when auditing Ohio public offices: . . . [I]nquiry shall be made into . . . whether the laws, rules, ordinances, and orders pertaining to the office have been observed, and whether the requirements and rules of the auditor of state have been complied with; and

WHEREAS, public officials are strictly liable to account for public funds entrusted to their care. Strict liability means a person may be found liable for the loss even though he or she may not have been personally at fault. Also, any public official, who either authorizes an illegal expenditure of public funds or supervises the accounts of a public office from which such illegal expenditure is made, is strictly liable for the amount of such expenditure. Mere unidentified shortages of public moneys, or such an illegal expenditure, are sufficient reasons for a Finding for Recovery against such a public official; and

WHEREAS, the auditor may consider performing the following procedures to assess management's identification of compliance requirements that could materially affect financial statement amounts and disclosures:

- Consider knowledge about compliance requirements obtained during prior-period audits,
- Interview the entity's chief financial officer, legal counsel, internal auditor, or grant administrators about compliance requirements,
- Identify sources of revenue, review any related agreements (for example, loan, grant, and contribution agreements), and ask about legal provisions and enabling legislation that relate to using and accounting for the revenue,
- Obtain and review federal and state publications pertaining to compliance requirements, such as Department of the Treasury and Internal Revenue Service regulations (concerning the calculation and reporting of arbitrage rebates and refunds and employment taxes), the Uniform Guidance cost principles and administrative requirements, as applicable to the award, and the OMB Compliance Supplement, the Catalog of Federal Domestic Assistance, and similar state program publications (concerning grants and appropriations),
- Obtain and review sections of the state constitution, statutes, and regulations that pertain to the entity, in particular the sections that concern financial reporting, investment, debt, taxation, budget, appropriation, and procurement matters,
- Review the minutes of meetings of the entity's governing board for the enactment of relevant laws and regulations and information about relevant contracts and grant agreements,

- Ask federal, state, or local auditors or other appropriate audit oversight organizations about applicable compliance requirements, including statutes and uniform reporting requirements.
- Ask the audit, finance, or program administrators of other entities from which the entity receives grants, contributions, and appropriations about the restrictions, limitations, terms, and conditions under which the amounts were provided; and

WHEREAS, The Auditor of the State of Ohio has previously bid this contract and has the authority to grant an extension for the years 2020, 2021, and 2022.

NOW, THEREFORE, be it ordained by the Council of the City of Reynoldsburg, Ohio, that:

Section 1: The City of Reynoldsburg shall enter into this contract for a total of \$54,000 with terms specified in the **EXTENSION AGREEMENT** contract submitted by the Ohio Auditor of State Keith Faber, the City of Reynoldsburg, and Wilson, Shannon and Snow as attached in Exhibit A.

Section 2. That Council finds this contract is not subject to competitive bidding as it is an agreement for professional services and it is part of a state bid contract with the Auditor of the State of Ohio. Therefore, competitive bidding is waived under Section 175.01(d) and (e).

Section 3: That upon adoption by Council, this Ordinance shall be in effect thirty days following signature by the Mayor.

Passed this 28th day of September, 2020.

EXTENSION AGREEMENT

This Agreement between Auditor of State Keith Faber (Auditor), City of Reynoldsburg, Franklin County (Public Office), and Wilson, Shannon & Snow, Inc., an independent public accountant (IPA), extends an existing agreement between these parties as identified in SECTION I below and incorporated herein by reference. These parties agree to abide by all terms and conditions of the original agreement, except as specifically identified in Section II below, and that no remuneration will be granted in relation to work performed under this modification/extension prior to the execution of this Agreement by all parties.

SECTION I -- ORIGINAL CONTRACT INFORMATION

Public Office Name on RFP	<u>City of Reynoldsburg</u>		
Original Contract Period	<u>January 1, 2017 through December 31, 2019</u>

SECTION II -- EXTENSION INFORMATION

Extension Period: 1/1/2020 to 12/31/2022
Check one: Annual Audit or Biennial Audit

The RFP and related contract are hereby amended for the audit periods noted above as follows:

Work Papers, Work Product, and Records Retention

The IPA will maintain all engagement documentation in segregated files. The IPA agrees to provide the Auditor of State unconditional access to examine and review engagement documentation created or obtained by the IPA involving its performance under the contract. The IPA agrees to provide copies of any engagement documentation determined necessary by the Auditor of State. The Auditor of State is bound by ORC 4701.19, which provides that an IPA's engagement documentation remains the property of the IPA, even in the possession of the Auditor of State's office, and are not public records available for public disclosure. In the case of support for a finding for recovery, the Auditor of State may request the IPA to sign a limited waiver of this statutory provision. The IPA also will maintain and provide access to timesheets and expense reports that support the IPA's invoices under the contract. All such engagement documentation, timesheets, and expense reports shall be retained by the IPA for a period of five (5) years from the date of completion of the contract.

Review of Reports and Work Papers - Access to / Retention Thereof

Furthermore, should it be necessary for AOS to send a notice of proposed finding regarding a potential finding for recovery, AOS will require the IPA to execute a limited waiver, to be prepared by AOS. It is the AOS' policy to allow the individual subject to the proposed FFR to review the engagement documentation (i.e. work papers) on which the proposed finding is based. Since Ohio Rev. Code § 4701.19 provides that an IPA's engagement documentation remains the property of the IPA, even in the possession of the AOS, it is necessary for the IPA to execute the limited waiver for the sole purpose of permitting AOS to show supporting documents (i.e. work papers) to those subject to proposed findings for recovery.

SECTION II – EXTENSION INFORMATION (continued)

Federal Awards

The IPA firm anticipates 0 major programs to be included in the Single Audit testing for each year of the contract.

Contract Modifications

Modifications should only be requested for issues which were not known at the time of the original proposal, including but not limited to, changes in accounting or professional standards, changes in reporting entity, significant changes in funding, due date changes, etc. IPAs must utilize the Contract Modification application via the IPA Portal, after any necessary discussions with the Auditor of State representative, and obtain the Public Office's approval per the Auditor of State's contract modification policy. The Auditor of State will review, and if determined appropriate, approve the signed contract modification, which will set forth the terms of the contract between the Auditor of State, the Public Office and the firm. Such agreement must be executed by the Auditor of State prior to the performance of any additional work. No remuneration will be granted in relation to work performed prior to execution of such agreement. Any additions or reductions to the work agreed to between the Public Office and the firm shall be at an hourly rate that will not exceed the average hourly rate for the corresponding fiscal period set forth in the schedule of fees and expenses included in the original dollar cost bid, except in limited circumstances approved by the Auditor of State where the total cost for the audit period does not exceed the original proposed amount.

The IPA agrees to work closely with the Auditor of State's office and the Public Office to resolve issues as they arise prior to performance of additional procedures perceived to be beyond the scope of a prudent proposal submitted in response to this Request for Proposals.

Note: If the contract requires MBE/EDGE participation (Section I.E), any change in hours must be evaluated to determine the impact on the 15% cost requirement. Any change in cost would impact the dollar amount required to be set aside for the MBE/EDGE firm. If the modification causes the hours to exceed 800, a MBE/EDGE firm must be added to the engagement for the affected period.

Hinkle Annual Financial Data Reporting System (Hinkle System)

As required by Ohio Revised Code 117.38, local public offices must file their annual financial reports with the Auditor of State (AOS). As described in Auditor of State Bulletin 2015-007, all entities required to file with the AOS must file electronically via the Hinkle Annual Financial Data Reporting System (Hinkle System).

As required by the Bulletin, any independent public accounting (IPA) firms contracted to perform audits for the AOS will audit the financial statements uploaded and submitted to the AOS via the Hinkle System. At the commencement of the audit, the IPA will verify with the entity that the financial statements submitted via the Hinkle System are the final, unaudited financial statements for the audit period. If the financial statements required modification, the entity must contact the AOS at HinkleSystem@ohioauditor.gov in order to re-file.

When financial statements filed via the Hinkle System are audited by the IPA firm, the Hinkle System will include an audit adjustment application which requires the IPA firm to key in audit adjustments for cities, counties, schools, community schools, townships, libraries and villages to Hinkle System data as part of the audit finalization procedures. The adjustments should be entered prior to submitting the final report package to ipareport@ohioauditor.gov.

Manner of Payment

The Auditor of State requires that electronic invoices be submitted for Auditor of State approval via the IPA Portal billing process prior to presenting the invoice to the Public Office for payment. No payments should be processed by the Public Office without Auditor of State approval.

Progress payments should be made on the basis of work completed during the billing period incurred in accordance with the firm's cost proposal. Interim billings shall cover a period of not less than a calendar month. Billings for work completed must be submitted to the Auditor of State timely.

For the final billing, invoices will be processed as above; however, they must provide total actual hours for the engagement. In addition, invoices must be submitted no later than 90 days after the release of the report by the Auditor of State's Clerk of the Bureau. Invoices may NOT be permitted to be submitted and accepted for processing after the 90 days have expired.

All invoices must certify that all amounts set forth therein are properly due and payable for work performed by the IPA and/or by the specified qualified subcontractors, if applicable.

Subject to approval of the billing, the amount paid to the IPA for each billing shall be the total amount billed. However, under no circumstances shall the total amount paid prior to final acceptance of the engagement work for the fiscal period in question exceed eighty (80) percent of the total fee for the current engagement fiscal period, as specified in the contract. Upon approval of the final reports by the Auditor of State, the IPA may submit an invoice for the remainder due for the current engagement fiscal period. No payment shall be construed as acceptance of the engagement work or of any reports by the Auditor of State.

The Auditor of State may inspect the records and work papers of the IPA and of any subcontractor to determine the validity of billings. Adequate records shall be maintained by the IPA to support all billings.

Date Final Report is Due

It is anticipated this process will be completed and the final report delivered by June 30th for each engagement period of the contract. The final report package should be e-mailed to ipareport@ohioauditor.gov no later than this date.

Affirmations

The IPA shall mark "Affirmed" or "N/A," as applicable, for each of the affirmations noted in the attached Mandatory Elements Form.

Cost: Refer to the attached Schedule of Professional Fees and Expenses for details related to the costs associated with this Extension.

Indemnification

The IPA shall indemnify, defend, and hold harmless the Auditor of State, and its personnel, officers, and employees from and against any claims, liabilities, expenses or suits relating to this Agreement or the services provided by the IPA under this Agreement as to any suit, action, or claim asserted or prosecuted by third parties solely for death, bodily injury, or physical damage to real or tangible personal property to the extent directly and proximately caused by the negligent acts or intentional misconduct of the IPA or its subcontractor while engaged in the performance of the Services; and, at its own expense in any such instances, the IPA shall pay all attorneys' fees, damages, court costs, and other expenses arising out of any such litigation or claim; and, at its own expense, the IPA shall satisfy and cause to be discharged any judgments as may be obtained against the Auditor of State or any of its personnel, officers, or employees pursuant to any such litigation or claim, provided, however, if there is also fault on the part of any entity or individual indemnified hereunder or any entity or individual acting on the Auditor of State's behalf, the foregoing indemnification shall be on a comparative fault basis.

SECTION II – EXTENSION INFORMATION (continued)

The IPA shall indemnify, defend and hold harmless the Auditor of State and its personnel from all Claims attributable to the claims or suits asserted or prosecuted by third parties for infringement by a Deliverable of any patent existing at the time of delivery and known to the IPA or copyright or any unauthorized use of any trade secret, except to the extent that such infringement or unauthorized use arises from, or could have been avoided except for (i) modification of such Deliverable other than by the IPA or its subcontractors or use thereof in a manner not contemplated by the Agreement, (ii) the failure of the indemnified party to use any corrections or modifications made available by the IPA, (iii) information, materials, instructions, specifications, requirements or designs provided by or on behalf of the indemnified party, or (iv) the use of such Deliverable in combination with any platform, product, network or data not provided by the IPA. If the Auditor of State or the Client's use of any such Deliverable, or any portion thereof, is or is likely to be enjoined by order of a court of competent jurisdiction as such an infringement or unauthorized use, the IPA, at its option and expense, shall have the right to (x) procure for Auditor of State and Client the continued use of such Deliverable, (y) replace such Deliverable with a non-infringing Deliverable, or (z) modify such Deliverable so it becomes non infringing; provided that, if (y) or (z) is the option chosen by the IPA, the replacement or modified Deliverable is capable of performing substantially the same function. In the event the IPA cannot reasonably procure, replace or modify such Deliverable in accordance with the immediately preceding sentence, the IPA may require the Auditor of State and Client to cease use of such Deliverable and refund the professional fees paid to the IPA with respect to the Services giving rise to such Deliverable.

The foregoing provisions of this Section constitute the sole and exclusive remedy of the indemnified parties, and the sole and exclusive obligation of the IPA, relating to a claim that any of the IPA's Deliverables infringes any patent, copyright or other intellectual property right of a third party.

As a condition to the foregoing indemnity obligations, the IPA shall be given written notice of the assertion of such claims or suits for which indemnification is sought (an "Indemnity Claim") promptly after such matters are brought to the attention of the Auditor of State and shall cooperate in all reasonable and customary respects with the IPA in connection with any such Indemnity Claim, suit or claim covered by the indemnity obligation. The IPA shall be entitled to defend, settle, and control the handling of any such Indemnity Claim, in its sole discretion, with counsel of its own choosing. The IPA, however, shall not settle any such Indemnity Claim without the prior written consent of the Auditor of State (which shall not be unreasonably withheld) except such consent is not required if (1) the sole relief provided is the payment of monetary damages by the IPA or, to the extent that any non-monetary relief is provided, such non-monetary relief is applicable only to the IPA, (2) there is no admission of any fault or wrongdoing on the part of the Auditor of State, and (3) the compromise or settlement contains a full and unconditional release (other than a condition of receipt of payment from the IPA) of the Auditor of State from liability in respect of such Indemnity Claim. Subject to the assent of the Attorney General of Ohio, the Auditor of State shall be permitted to participate in (but not control) the defense and settlement of any such Indemnity Claim that impacts the interest of the state of Ohio and to employ separate counsel in connection with such Indemnity Claim. The fees and expenses of such separate counsel shall be at the Auditor of State's expense. Nothing contained herein, however, is intended to confer to any third party any right or benefits hereunder; nor is the foregoing indemnification obligation intended to alter or extend the IPA firm's liability for failure to comply with the terms of the Agreement or for professional negligence or misconduct.

The IPA shall be solely responsible to Auditor of State and the Client for the performance of the services provided by the IPA under this Agreement. The Client agrees that it will not bring any claims or suits arising from or relating to the IPA's performance of the services under this Agreement against the Auditor of State.

SECTION III – RECITALS/APPROVAL

Due to the need for a contract extension, as stated in SECTION II above, the parties with intent to be legally bound agree as follows:

1. IPA shall, in the performance of its engagements related to the Public Office for the fiscal period(s) set forth in the original Contract, previous Modification Agreements, and in this Agreement, perform all engagement work as set forth in the original Memorandum of Agreement, previous Modifications Agreements and in this Agreement;
2. The performance of the engagement work provided for in this Agreement, and all related payments provided for herein, shall in all respects be subject to the terms and conditions set forth in the original Contract;
3. Should this extension result in the total hours of the contract to exceed the threshold established for use of a MBE/EDGE subcontractor, the IPA shall follow all minority participation and other relevant requirements of the original contract. If applicable, the required MBE/EDGE subcontractor with respect to this Agreement will be:

Subcontractor: _____
 Address: _____

4. Should this extension involve the use of other subcontractors, the IPA shall follow all relevant requirements of the original contract. If applicable, the other subcontractor with respect to this Agreement will be:

Subcontractor: _____
 Address: _____

In the event of any conflict or inconsistency between the provisions of this Agreement and the parties' prior contract, the provisions of this Agreement shall control in all respects.

IN WITNESS WHEREOF, Auditor, Public Office and IPA have executed this agreement.
